Work Experience

Freelance Producer

DBNDesign - Liverpool

April 2021 to Present

Hired for my expertise in writing, recording, engineering, and producing music at a professional level, I collaborate closely with artists to capture their vision and efficiently translate it to the entire project team. With a comprehensive understanding of practical, theoretical, and technical aspects of music, I seamlessly transition between roles to ensure the artist's ultimate goal—a remarkable and attainable product—is achieved.

Social Media Administrator

Bonk! Inc - Liverpool

October 2020 to Present

As both a member of Bonk! and an active presence on their social platforms, I am required to completely and effectively market myself, the company, and what we have to offer. So far this has been successful, with our fan base growing regularly for over a year. Working alongside the rest of our team, we seek to understand current trends and audience values to most effectively attract our target demographic and maintain interest among those already aware of us.

Voice Actor

Fiverr

August 2014 to Present

Managing my own schedule and exceeding customer expectations, I take on diverse roles in every aspect of the V/O production process - from marketing and negotiation to delivering high-quality work. With successful engagements as the voice behind televised ads, game characters, and guided tours, I've maintained this rewarding freelance journey alongside my main endeavors for over 8 years.

Games Master

Escape Hunt Group - Liverpool

September 2021 to February 2023

As a Games Master at Escape Hunt, I seamlessly blended customer service, administration, tech expertise, voice acting, site maintenance (including housekeeping) and meticulous attention to detail to deliver flawlessly orchestrated escape room experiences.

Web Developer

Beeby Gallery - Olney

June 2018 to February 2022

In my role as a web developer for The Beeby Gallery, I crafted and maintained a visually stunning art showcase by leveraging my knowledge of front and backend development. Additionally, I enabled the seamless management of multiple Google Workspace accounts, streamlined drive organization, and expertly handled the entire IT infrastructure to elevate the digital presence of the art gallery.

Drum Teacher

BW Drum Shop - Northamptonshire
January 2019 to September 2020

Instructing aspiring drummers up to Grade 8 and beyond, I established strong connections with students spanning diverse age groups, while continually introducing engaging and valuable lesson content. Additionally, this role provided valuable exposure to customer service and store management within an independent drum store in Northampton.

Kitchen Assistant

Sauls of Spratton - Northampton
September 2018 to January 2019

As a swing cook in a bustling food trailer, I honed my ability to handle high-pressure environments, swiftly preparing ingredients, serving food, and taking orders with precision. From halftime rushes to post-gig demands, this role taught me the art of maintaining composure, working efficiently, and upholding exceptional standards.

Finance Assistant

MOTOR NEURONE DISEASE ASSOCIATION - Northampton
July 2018 to September 2018

I volunteered at the MNDA in the finance department, overseeing incoming donations and ensuring they were all valid. This required close teamwork and high attention to detail; any slip up could cost the association thousands in false claims.

Education

Bachelor's in Music (Songwriting and Production)

LIPA - Liverpool
September 2020 to June 2023

A Levels in Music, Theater, Computer Science

Caroline Chisholm School - Northampton
September 2018 to June 2020

Skills

- Content creation and production
- Music Performance and Teaching
- Customer Service and Hospitality
- Event Coordination and Management
- Adaptability and Flexibility
- Communication and Interpersonal Skills

- Organizational and Administrative Abilities

Certifications and Licenses

Fundamentals of digital marketing (ongoing)

June 2023 to Present

The Google Digital Garage course on digital marketing provides comprehensive training in key areas of online promotion, equipping me with essential skills to excel in the field. Through this course, I gained expertise in search engine optimization (SEO), pay-per-click (PPC) advertising, social media marketing, email marketing, and web analytics. This training enables me to effectively leverage digital channels, drive online visibility, engage with target audiences, and make data-driven marketing decisions to achieve business objectives.
